About

SaeHee is a designer, who thrives in bringing ideas to life. After moving to Los Angeles, she enrolled in User Experience certification program at UCLA and have often found herself utilizing similar skillsets that she gained throughout the years of working in the healthcare industry – empathy. With empathy, she is able to translate the core needs of the users and identify holistic approach to design each solution.

Experience

Certified Child Life Specialist at NewYork-Presbyterian Morgan Stanley Children's Hospital

Mar 2014 - Feb 2019

Collaborated with interdisciplinary team to attend daily rounds in the pediatric intensive care unit to assessed the needs of patients and families. Provided interventions to facilitate coping with psychosocial care through developmentally appropriate medical language, grief/procedural support, preparation, and expressive play activities.

Child Life Intern at North Shore-LIJ Health System

Sept 2013 - Jan 2014

Interned under supervision of CCLS through rotations in Emergency Department, Inpatient Medical/Surgical Unit, and Outpatient Hematology/Oncology clinic.

Reading Tutor at The Madeleine Choir Catholic School

Feb 2013 - May 2013

Instructed advanced assessment and intervention by creating distinct lesson plans for eight grade student with low reading comprehension. Improved reading level of the student by 2 levels within seven lessons.
